Do you love manga or enjoy reading graphic novels? The Marshfield Graphic Novel & Manga Book Club will start again in October! The first meeting will be on Wednesday, Oct. 21 from 3:30-5 p.m. in the MHS Library, and we will continue to meet once a month after school on Wednesdays. Snacks and transportation will be provided, if needed. Each participant receives a free copy of each book the club reads every month. If you are interested, please stop by and see Mrs.

Hampton in the library. She has copies of the first book that club members should read prior to Oct. 21 meeting, as well as the book for November. This is a fun club open to all students, but interested students should sign up quickly to reserve their spot and book.

Help Keep the Marshfield Campus Beautiful

Please remember to pick up after yourself and dispose of all trash properly. Waste receptacles are conveniently located throughout the Marshfield campus for your use. We appreciate your cooperation in helping keep our campus clean, beautiful, warm, and welcoming students, staff, and visitors. Thank you for doing your part!

GSA (the Gay Straight Alliance) will meet each Monday during lunch. Come to room 152, get a free snack, and hang out in a supportive and friendly environment. We will be picking a leadership team this year to plan our activities throughout the year. Hope to see you there!

Listen to Marshfield Pirate Football on 105.1 FM and online for those

outside the area at kmhsonline.com.

You can get Pirate information like student announcements and sports schedules on our radio station's website, kmhsonline.com

Student Reminder: We do not accept Door Dash or other food delivery services at the offices. We have informed the businesses that we will not allow them on campus. Students need to make other arrangements for off campus pick up.

Students are not to use vending machines during class time- only before school, during lunch, after school and passing periods.

Students interested in participating in Oregon Battle of the Books, or OBOB, at MHS will have their first meeting Thursday, Oct. 22 during advisory in the library. Please see Mrs. Hampton in the library if you have any questions.

The Voice of Democracy is sponsored by the Veterans of Foreign Wars and you will record a 3–5-minute speech (on your phone is fine) speaking on what a “Veteran has taught me about America”. The Speech is due 10/31/26. For questions or to submit and entry, contact Cricket @ Cricket.Soules@cbk12.com. 2 hours of community service will be issued by Mr. Ashton for each participant.

WHAT CAN I DO WHEN I FEEL OVERWHELMED?

www.AnxietyHelpBox.com

When everything feels too much, your brain can struggle to sort what matters from what does not. Slow it down. These steps can help you get through the next few minutes.

1 PAUSE BEFORE YOU ADD MORE

Stop scrolling, replying or making new decisions for a moment.

2 NAME THE TOP THREE

Write down the three things that matter most right now.

3 DO THE NEXT TINY STEP

Pick one small action – one email, one drink of water, one task.

4 LOWER THE NOISE

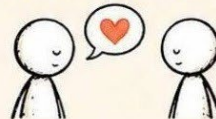

Silence notifications. Step away from extra input if you can.

5 UNCLENCH YOUR BODY

Drop your shoulders. Unclench your jaw. Put both feet on the floor.

6 ASK FOR ONE THING

Ask one person for one clear bit of help.

IMPORTANT REMINDERS

Overwhelm means your system is overloaded. It does not mean you are failing.

Small steps still count.

WHEN TO GET EXTRA HELP

If overwhelm is happening often, affecting your sleep, work or daily life, speak to a healthcare professional.

💖 One thing at a time. *That is enough* for now. 💖

Honoring Blake:

Blake Crane was a Coos Bay Schools student, class of 2021. In February of 2020, Blake developed the flu and died from complications only two days after typical symptoms of the common virus. Blake was a healthy kid who received vaccinations every year of his life except for the last one. To honor the great loss of Blake, we aim to spread awareness of the dangers of the flu in our community.
