Interested in touring the Bandon Dunes Resort and finding out about all the possible jobs and careers at this amazing resort? Join us on Sept. 29th for an industry tour where you will meet all the major department representatives and learn about the potential career possibilities from one of the largest employers in our region. Please complete the sign-up form in the Class of 2027/2028 Google Classrooms by Friday, Sept. 25 at 3:30 pm. Only the first 20 students will get to attend as space is limited. If you have any questions, please reach out to Mr. Ashton at eliasa@cbk12.com.

Do you love manga or enjoy reading graphic novels? The Marshfield Graphic Novel & Manga Book Club will start again in October! The first meeting will be on Wednesday, Oct. 21 from 3:30-5 p.m. in the MHS Library, and will continue to meet once a month after school on Wednesdays. Snacks and transportation will be provided, if needed. Each participant receives a free copy of each book the club reads every month. If you are interested, please stop by and see Mrs. Hampton in the library. She has copies of the first book that club members should read prior to Oct. 21 meeting, as well as the book for November. This is a fun club open to all students, but interested students should sign up quickly to reserve their spot and book.

September 28-October 3

Homecoming tickets for sale at lunch by the main office \$25/pp cash/check. Guest passes will be due Oct 1st. Destinations students do not need guest passes to attend. They will be able to purchase tickets at Milner Crest and have guest passes available for Destinations staff to approve. (tickets will also be available at the door)

Help Keep the Marshfield Campus Beautiful

Please remember to pick up after yourself and dispose of all trash properly. Waste receptacles are conveniently located throughout the Marshfield campus for your use.

We appreciate your cooperation in helping keep our campus clean, beautiful, warm, and welcoming students, staff, and visitors. Thank you for doing your part!

Schoolwide Testing Day will take place next Thursday, October 8th. All 11th graders that have registered for the PreACT will need to report directly to the following locations based on Advisory class after 2nd period this Thursday, October 1st.

The following classes will go to Heritage Hall if you signed up for the PreACT - Blondell, Goodson, C.

Seedborg, M. Seedborg

The following classes will go to the Cafeteria if you signed up for the PreACT - Hillenhagen, Howe, King, Ositis

Any questions, please email or see Mr. Montiel.

If you are interested in attending a United States Naval Academy event in Portland on the evening of October 19th contact Mrs. Bunnell and she will send you a link to sign up. At this event, attendees will receive an overview of the Naval Academy and Admissions Process and have opportunities to ask questions of their Regional Admissions Counselor. This process starts early in high school, so if this is something you are considering this is a great event to attend. You must provide your own transportation, MHS is not taking a group.

Central Coos Fire & Rescue Urges Residents to Power Up Their Devices with Fire Safety in Mind

Central Coos Fire & Rescue (CCF&R) is teaming up with the National Fire Protection Association[®] (NFPA[®]) to support Fire Prevention Week. This year's FPW theme, "Charge into Fire Safety: Safe Charging Is a Superpower," focuses on the simple steps people can take to recharge safely. Safe charging means making smart choices every time you plug in.

CCF&R is hosting an Open House Weekend on October 3rd from 11am – 3pm at their Millington Station on Millington Frontage Rd and October 4th from 12pm – 3pm at their Sumner Station on Selander Rd. This is a free community event featuring a junior firefighter challenge with prizes, a free hot dog and hamburger lunch, and guest appearances by the CCF&R Fire Pup mascot. There will also be an auction and raffle featuring donated items from local businesses. To find out more about the Open House Weekend visit the Central Coos Fire & Rescue Facebook page.

Many devices used in our daily lives - phones, tablets, laptops, tools, toys, e-bikes, and scooters—run on rechargeable lithium-ion batteries, which store a lot of energy in a small space. If they are damaged or charged the wrong way, they can overheat, start a fire, or even explode. The way you charge your lithium-ion battery devices can make a difference in helping prevent home fires.

- Use the cord and charger that came with your device or one approved by the manufacturer. Using the wrong charger can damage the battery and increase the risk of fire.
- Charge devices on a table, desk, or other hard, flat surface. Soft surfaces can trap heat and block airflow, which can cause the battery to overheat.

- Stop using your device if it feels very hot, starts to swell, is smoking, or has a strange smell. These are warning signs that the battery may be damaged or failing.
- Unplug your device when it is fully charged. Leaving a device plugged in too long can increase heat and stress on the battery.
- Charge larger items like e-bikes, scooters, and power tools outside and away from exits. If they fail, fires can grow quickly and spread.

MARSHFIELD PIONEER CEMETERY

Lathyrus latifolia
Everlasting pea

"Such pretty pink flowers"

Yes, but Everlasting pea, *Lathyrus latifolia*, is actually considered a noxious weed by the State of Oregon and the Marshfield Pioneer Cemetery. English ivy, broom, and cotoneaster also fall in that category. **Volunteers** are essential in helping to eliminate or at least control these species.
